

What our community thinks

 "CodeCheck changed my life"

[Nataliya Nikolaevna](#)

 "This app is the most useful thing I've ever had! My shopping behavior has changed radically"

[Angi Winkler](#)

 "Absolutely great. The best and most useful app I've ever had. It couldn't be better"

[Nicole Claaßen](#)

 "No more shopping without CodeCheck"

[Mac Christel](#)

 "I also use the app in class so that pupils know what they use, eat or drink every day"

[Gabriele Forjan](#)

Featured In:

"After scanning the product barcode, you get all of the ingredients displayed on your smartphone. Microplastics will then be marked red, for example."

[\(Die Zeit\)](#)

"CodeCheck speaks the bitter, expectable truth."
